How Much is Your Blog Worth?

Courtesy of the Business Opportunities Weblog, I've known about this cute little resource for a while but just keep forgetting to write about it. WHAT IT IS: Give it your blog's URL, and it spits out a guesstimate of how much it thinks your blog is worth in \$\$\$\$. Is the info good? Depends on what you [...]

How to Search All of Craigslist for Freelance Gigs

Craigslist, as you know, is a large network of free local classified advertising... an excellent regular source of freelance writing/editing/related gigs. But here's the problem: It's a large network of free local classified advertising. TRANSLATION: It's multiple local sites. A lot of the writing/editing work advertised is open to anyone anywhere with a Net connection, but [...]

Demotivated? Use Music!

In a recent post, ClickNewz's Lynn Terry ? who's typically very chipper and "can do" ? lamented about the inevitability of losing one's motivation and momentum and how she tries to cope with it. As writers, this isn't exactly surprising information. What I did find surprising, however, is that Lynn didn't mention what I think is [...]

Last Chance to Get Google Adwords Primer

I'm back... have been, for a few days, but still haven't managed to get myself out of being neck-deep in @#\$\$%^!& email messages that always pile up whenever I leave it untouched for a tad. But it's moving along... and so are content plans for Wordpreneur. Nothing-else-to-do plane flights always give me a bunch of [...]

Happy Holidays!!!

I'll be out of town for a few days for the holidays, and although the Net will be where I'm going, I don't think I'll have much of a chance to do any posting. But it won't be for more than a week or so... I'll be back soon enough! Although of late I haven't really [...]

How to Write Short Reports to Build Your Internet Business and Increase Your Online Visibility

Unedited Guest Article by Connie Ragen Green Writing short reports is an excellent way to get your information and message out to the world. They can be anywhere from about five to 30 pages, so you can complete one in much less time than it would take to finish an ebook. Many times my students begin writing [...]

How to Write Copy That Sells Itself

Unedited Guest Article by Darin Blue Whenever advertising your company, product or business opportunity in anything from a 3 line text ad to a full page sales letter, it is critical to write effective, motivating sales copy to influence people to take action. People will make split-second decisions based off your ad when they perform a [...]

How I Got My Book in a Celebrity Magazine's Hot Sheet!

Unedited Guest Article by Sally Shields About 6 months before my book was published, I had this dream of getting listed as "Hot Book of the Week" in a major celebrity magazine. So, I made a phone call to the editor and told her about my book. She seemed pleasant enough, as I mentioned that several [...]
